

ERUDITE'S COMMUNIQUE

Mr. Rajeev Rai

Sales Leader | Partner Ecosystem
GTM | Strategic Advisor

We firmly believe that the CSBS curriculum developed by Tata Consultancy Services (TCS) will equip students with a comprehensive understanding of contemporary business challenges, thereby enabling them to emerge as effective problem solvers of the future.

Shri. Girish Nandimath

Global Head - Talent Acquisition Group, TCS

The pandemic has accelerated digital adoption across industries and thus the need for talent with digital skills has gone up manifold in recent times. Staying true to our new brand statement Building on Belief- Our belief conveys our optimistic outlook and reflects the limitless potential we have to create greater futures along with our academic partners. TCS is committed to the cause of building "industry ready" engineering graduates with an in-depth grounding in digital skills. Our investment in designing and supporting the B.Tech. program in CSBS being offered by leading colleges in India is the testimony of our ongoing commitment in this area.

VOICE OF OUR STUDENTS

Ms. Vinu Hashini V

RMDEC (Batch 2023-2027)

As a Third year student of RMD Engineering College, my academic journey has been positive and enriching. The institution provides a disciplined and supportive learning environment with good infrastructure, well-maintained classrooms, and laboratories that enhance the overall learning experience. The college emphasizes academic excellence along with holistic development, helping students grow with confidence, professionalism, and strong ethical values. As a student of the Computer Science and Business Systems (CSBS) department, find the curriculum well-structured and industry-oriented. It offers a strong foundation in core computer science subjects along with business, management, and human values, ensuring a balanced skill set. The faculty members are knowledgeable and approachable, and the practical sessions, projects, and exposure to emerging technologies help us apply theoretical concepts to real-world scenarios and prepare effectively for future career opportunities.

Mr. Kavindar A

RMKEC (Batch 2022-2026)

My journey at R.M.K Engineering College has been a truly enriching and memorable experience. From the beginning, the college provided a supportive environment that encouraged learning, innovation, and personal growth. The faculty members guided me throughout my academic journey and helped me strengthen my technical and problem-solving skills. I also had the opportunity to work on projects and participate in technical activities that improved my practical knowledge and confidence. I am happy to share that I have been placed at Soliton Technologies with a package of 8 LPA. This achievement would not have been possible without the continuous support of my professors and the well-structured training programs offered by the college. I sincerely thank the management and faculty of R.M.K Engineering College for providing a strong platform to build a successful career.

VOICE OF OUR ALUMNI

Mr. Rishvaanth A.R.

Software Engineer

I am incredibly grateful for my experience at R.M.K Engineering College. From the moment I stepped onto campus, I was welcomed into a vibrant community of passionate learners and dedicated faculty members. The rigorous academic programs challenged me to push beyond my limits and achieve academic excellence. I am ecstatic to announce that I have been placed at TCS with a remarkable salary package. The faculty members in the college, renowned for their expertise and dedication, played a pivotal role in honing my technical skills and preparing me for the corporate world. I thank the management for the opportunities provided from their side. They encouraged us to participate in various competitions and guided us to do the required certifications to improve our skills.

ALUMNI MEET AT UK, USA & GERMANY

R.S.M. Nagar, Kavaraipettai,
Gummidipoondi Taluk,
Thiruvallur District, Tamil Nadu,
India. Pincode - 601 206.

about CSBS

HONOURS DEGREE (18 Credits)

- 4 Emerging Technology Courses
- 3 Capstone Projects

MINOR DEGREE (18 Credits)

- Intelligent Healthcare
- Internet of Things
- Creative Media Design
- Robotics and Automation
- Embedded Systems

Why CSBS at RMK?

- Recognized Research Centre under Anna University, Chennai
- Flexible curriculum with Honours & Interdisciplinary Minor Degree options
- Semester-abroad opportunities for courses and international project work
- Global exposure through prestigious international internship programs
- Credit-transfer courses available through online, hybrid, and partner institutions in India and abroad
- Flexibility to add/drop or advance courses, enabling year-long internships
- Regular faculty development programs to enhance teaching and research excellence
- 15% employment-enhancement courses; 10% via MOOC platforms
- AI-driven personalized learning through RMK Nextgen platform
- 1002 hours of structured placement training throughout the program
- Global career pathways with placement opportunities in leading international organizations
- Campus MoU with ETS India for TOEFL iBT testing
- Recipient of the Tamil Nadu Government Food Safety Award
- Personalized mentoring system (1 counsellor for every 20 students)
- AICTE-approved Minor Degree in Advanced Web Development under the AICTE LITE Scheme

DEPARTMENT HIGHLIGHTS

- Dynamic curriculum with TCS, integrating Analytical, Economic, and Financial subjects along with emerging Computer Science trends to meet global IT & ITeS sector needs.
- Exposure to emerging domains - Computational Statistics, Software Development Models, Design Thinking, Machine Learning, Cognitive Science & Analytics, Cloud Computing, Financial Management, Services Science, Operations Management & Marketing Research.
- Research Oriented Curriculum in Futuristic Technology.
- Product Development Lab from Sem I to IV through AICTE Idea Lab.
- Industry Internship in Curriculum - 2 weeks in Winter & 4 weeks in Summer.

EXCEPTIONAL TEACHING PERSONNEL

Competent and experienced faculty with 30% Ph.D holders, while the remaining 70% are pursuing Ph.D, with an average teaching experience of 10+ years.

- Industry-certified faculty from TCS, Cognizant, Virtusa, Infosys, and Wipro.
- 100+ research publications in SCI / WoS / Scopus journals in last 3 years.
- Collaborative Data Analytics research with Sri Balaji Institute for Neuro Sciences.
- 40 consultancy projects – ₹33.73 lakhs in the last 4 years.
- 4 patents granted and 23 patents published.
- Our faculty members offer courses in Udemy
- Conferences and FDPs sponsored from DRDO and Anna University.

Our Third Year CSBS Students participated in the Grand Finale of SIH 2024 & presented their project to the Lieutenant Governor Shri. Manoj Sinha

TRANSFORMATIVE LEARNING EXPERIENCE

- Activity, Project-Based and Blended Learning with live interactive assessments through RMK Nextgen.
- Innovative curriculum delivery using Smart Classrooms, LCD projectors, and ViewSonic boards.
- Practical sessions and competitive coding practice through platforms like Codetantra and iamNeo by trained faculty.
- Digital course materials designed and developed by faculty.
- Counselling and performance monitoring through the Pragati online counselling app.
- Coding skill enhancement through exclusive platforms like Codetantra and Skillrack for top coders.
- MoU with Binghamton University for micro-credentials, credit transfer, internships, and student exchange.

ACADEMIC EXCELLENCE

- ₹31.7 lakhs received from MSME / TN Govt. for 4 student innovation projects
- ₹1 lakh award under IISc Innovation for Rural Development Initiative
- Best Project award (₹10,000) at National Level Road Safety Hackathon
- 9 teams reached Smart India Hackathon Grand Finale; 1 team won first prize
- 300+ Students have successfully completed their NPTEL Certifications
- Won Cognixant ProDIGI contest under Connected Customer Category
- Anna University Zonal Volleyball Champions; South Inter-University participants.
- Bagged Silver Medal in Anna University Zonal 4 x 400 mts Relay
- 7 student startups – ₹7.5 lakhs funding through TN Voucher Programme.
- 7 students received ISTE Best Student Awards
- Best Performing Team Award – AICTE Innovation Bootcamp at IIT Guwahati.
- 5 RSM Gold Medal students under the category Best Outgoing Student, Best Outgoing Hostel Student (Boys), Best Outgoing Sports Student (Girls).

Our students successfully completed a prestigious internship at UCSI University, Malaysia

Secured First Place in the prestigious Smart India Hackathon (SIH) 2025, along with a cash prize of ₹75,000
