---

**Dr.K.HELEN PRABHA**

**PROFESSOR & HEAD  
DEPARTMENT OF ELECTRONICS AND  
COMMUNICATION ENGINEERING**

**CENTRE OF EXCELLENCE -TELECOM**

**Mr.JAI GANESH B**

**ASSISTANT PROFESSOR  
DEPARTMENT OF ELECTRONICS AND  
COMMUNICATION ENGINEERING**

# CENTRE OF EXCELLENCE - TELECOM

## OBJECTIVES

- To provide the platform for our students, to be successful in Telecom Engineering Services.
- To develop the student's skills required for planning and operations of Telecommunication infrastructure
- To enhance the programming skills of the students towards the telecommunication application development and practice
- To develop the concepts of professional practices, innovation and enterprise
- To train students for the dynamic and rapidly changing market of telecom industry.

**R.M.D.ENGINEERING COLLEGE**  
(AN AUTONOMOUS INSTITUTION)

# CENTRE OF EXCELLENCE - TELECOM LAB ESTABLISHMENT

The Telecom Centre of Excellence laboratory in our R.M.D Engineering College was inaugurated on 16/02/2017, by

**Shri.T.V.Vinod Kumar,**

Vice President,  
Wipro Technologies Ltd.,

# **CENTRE OF EXCELLENCE - TELECOM FACILITIES**

**The Lab is equipped with Higher Specification Desktop Computers with 2 NICs were equipped in each system provided with high speed internet connectivity.**

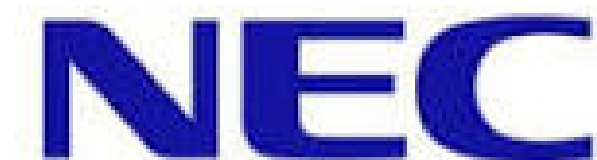

**This facilitates our CoE students to learn and work with various simulators and open source software in the Telecom domain.**

# CENTRE OF EXCELLENCE - TELECOM ASSOCIATED COMPANIES

# **CENTRE OF EXCELLENCE - TELECOM**

## **INDUSTRY MEMBERS**

### **ADVISORY COMMITTEE**

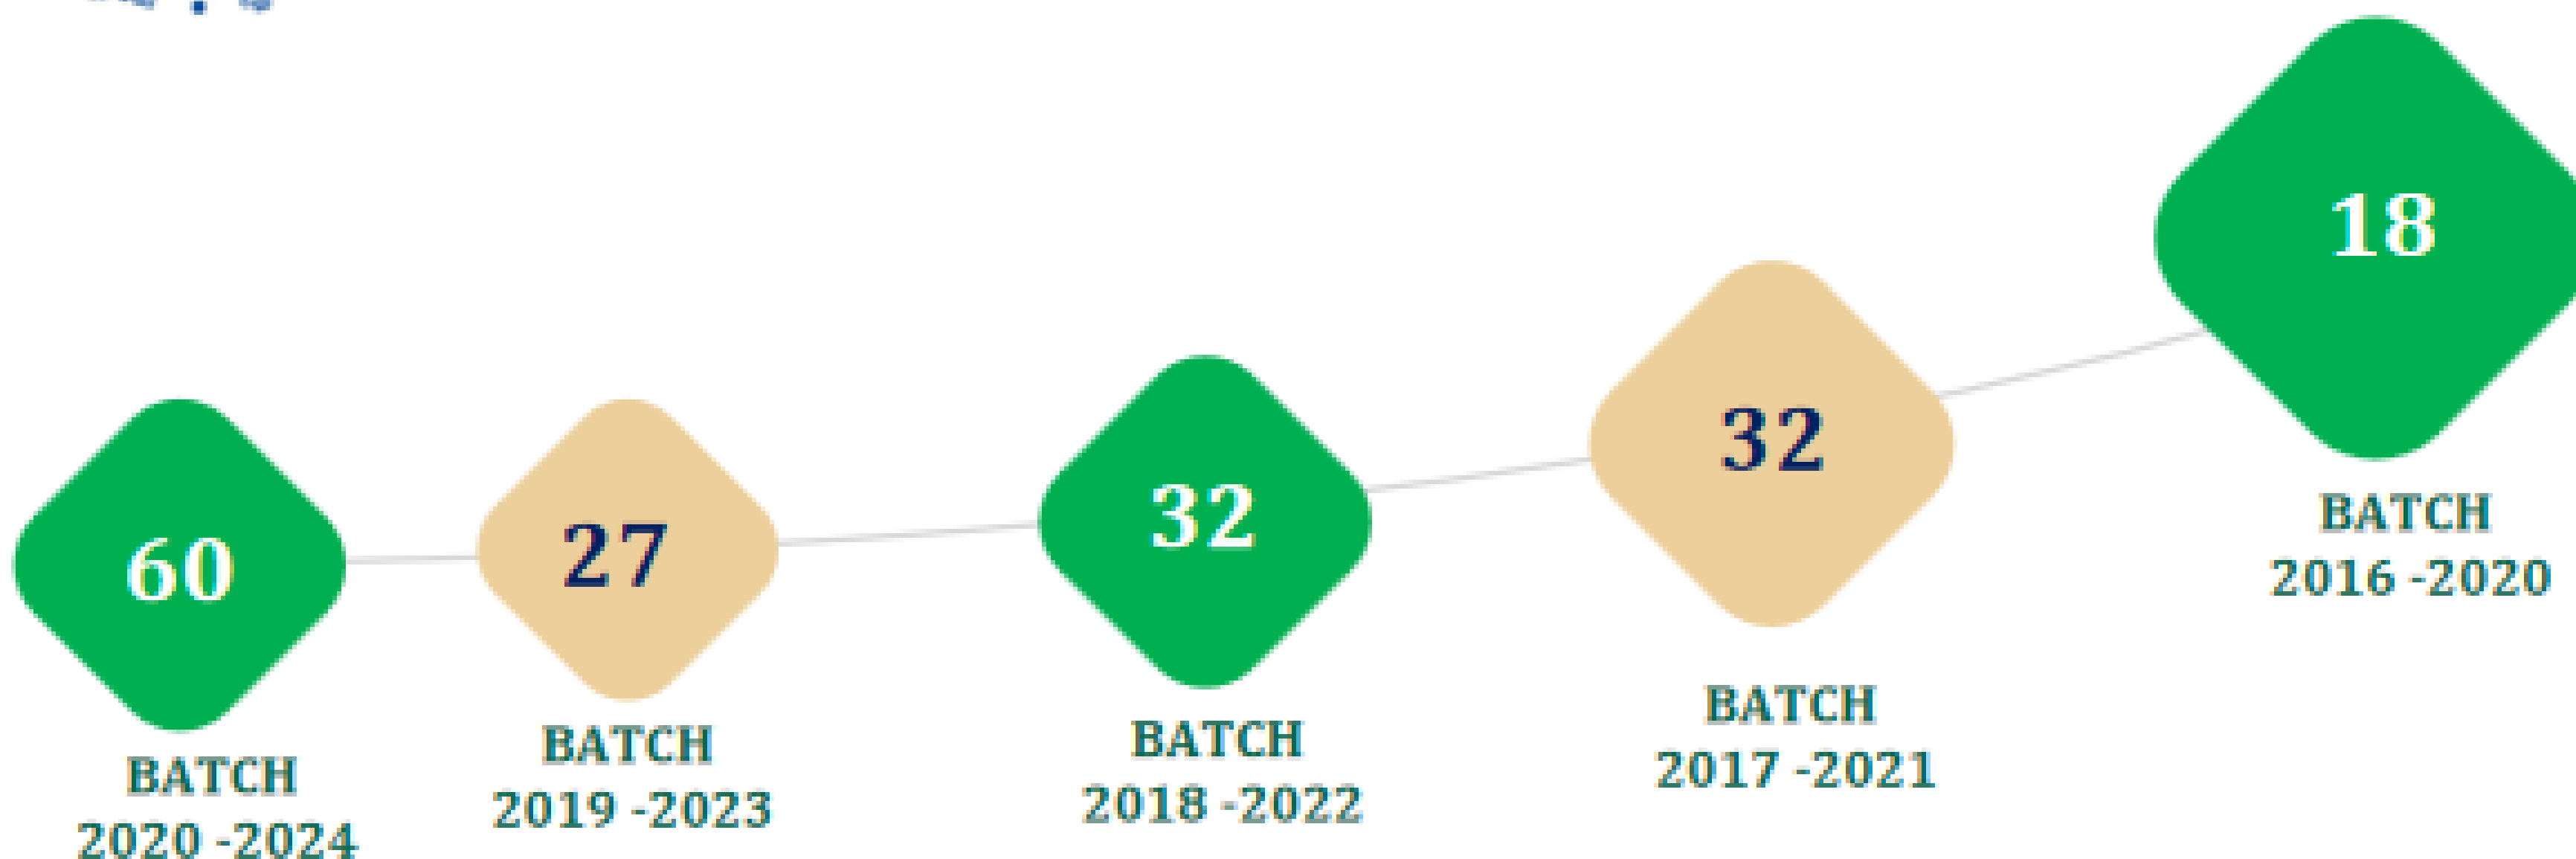

**Advisory Committee with experts from the various industries provides their expertise on the activities of the TELECOM CoE. The Advisory Committee meets twice a year in the campus for reviewing the activities and providing guidance for further growth.**

**The Committee consists of experts from Wipro, TATAELXSI, NEC Technologies, Cognizant, TCS, Aricent, Aircel, Qualcomm, Prodapt, W2BI, CeWiT, Samsung, and Dhyan Networks.**

**This CoE enhances the skills of the students in an eloquent manner, enables them to acquire skills in new technologies employ them in elite core companies and prunes their prowess in novel technology areas.**
